Immigration: Expenses of J. E. Cyr and Wife to Paris and Return.

AUDIT OFFICE, OTTAWA, July 20, 1909.

SIR,—Immigration cheque No. 3207, issued on March 2nd, last, is for a payment of $120 to the Canadian Pacific Railway Company, for first-class passages from Quebec and Liverpool, as follows:—

Mr. J. E. Cyr, special government rate	$ 30 00
Mrs. J. E. Cyr, regular rate	90 00

Immigration cheque No. 3821, issued on April 5th, last, is for a payment of $216.25 to Mr. J. E. Cyr, made up as follows:—

Fares for Mr. and Mrs. Cyr from Paris to Ottawa	$207 00
Hotel expenses in New York	3 50
Baggage transfer at Paris, New York and Ottawa	5 75

I have to ask if both Mr. and Mrs. Cyr were travelling on immigration business, and if so, why the benefit of the special government rate was not obtained in Mrs. Cyr's case? I have also to ask why the special rate was not obtained on the return trip? If Mrs. Cyr was not personally travelling on immigration business, why was her fare paid either way?

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. FRASER, *A.G.*

INTERIOR DEPT., OTTAWA, July 27, 1909.

SIR,—I have had referred to me your letter of the 20th instant, addressed to the Deputy Minister of this Department, regarding immigration cheques 3207 and 3821, both covering expenditure in connection with the removal to Paris, and the return to Canada of Mr. and Mrs. J. E. Cyr.

Mr. Cyr was appointed to a permanent position in the Immigration service, having his headquarters at Paris, France. The date of his appointment was October, 1908, and as his work required the removal of his home to Paris, it was considered proper that the department should bear the expense of such removal. After Mr. Cyr had been in Paris a few months, his wife's health broke down and he was compelled to return to Canada, leaving hurriedly without waiting to secure the government rate, and on account of the financial loss to Mr. Cyr, he having to give up his position, the Minister of the Interior decided that we should pay his return expenses.

I am, sir, your obedient servant,

The Auditor General. W. D. SCOTT, *Supt. of Immigration.*

Dominion Lands Capital: Outstanding Surveyors' Accounts.

AUDIT OFFICE, OTTAWA, April 15, 1909.

SIR,—I inclose herewith a statement of advances to Dominion Land Surveyors out of capital account, for surveys which have not yet been closed and which have been outstanding for five years or more. These accounts have been carried on our books for some years without any change. I should like to have a report on each individual case, as to the position in which the account stands and the reason for its not being closed. In such cases as it is impossible to get a further settlement, I think that authority should be asked of parliament to write off these amounts.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. FRASER, *A.G.*

Memorandum by Surveyor General on Arrears of Surveyors' Accounts.

A. McNab, contract No. 1, 1880. . . . . $1,000 00

A. McNab died before completing his contract: his surety was the Canada Guarantee Company. On the recommendation of the Minister of Justice, a sum of $1,500 was accepted from the company in full settlement of the claim of $1,000, on account of A. McNab and of $1,500, on account of A. F. Michaud, another survey contractor.

A. L. Poudrier, timber limits, 1881. . . . . $1,110 00

While engaged on a subdivision survey for the Timber Branch of this department, Mr. Poudrier received advances amounting to $1,110. He has filed an account (transmitted herewith) for $2,234.75, according to which a balance of $1,124.75 would be due him. This account was not accepted because some of the charges are excessive and because the vouchers for the disbursements are not sufficient. In reply to our repeated requests Mr. Poudrier has often promised that he would put his account in order, but he has never done so. He has no financial responsibility, so that it would be a waste of money to take proceedings against him. As far as I can make out, there is a small balance due him: there is certainly no loss to the government in this transaction.

(NOTE.—Mr. Poudrier's account, referred to above, has not been received in this office. J. Fraser, A.G.)

L. J. E. Garon, contract 7, 1882. . . . . $1,188 02

Judgment was recovered in the first instance against Garon and his sureties. On appeal, the judgment against the sureties was reversed and it was declared that they were not liable. The law officers of the Crown were asked to enforce the judgment against Garon, but it is understood that he is insolvent and that it would not be worth the expense of issuing the execution to proceed to levy under the judgment.

H. Lawe, contract 12, 1882. . . . . $1,517 00

After Mr. Lawe had executed work to the amount of $519.52 under this contract, his survey outfit was burned by prairie fires and he was in consequence unable to continue the survey. The law officers of the Crown were asked to take the necessary steps against him for recovering the balance of the advances, $997.48. The papers having been mislaid, the suit cannot be proceeded with.

C. H. Davis, contract 24, 1882. . . . . $1,133 34

After receiving $2,000 advances, Davis committed suicide, just as he was commencing work on the contract. A sum of $866.66 was received from the administrator of the estate, leaving a balance due of $1,133.34. The law officers of the Crown are of the opinion that the death of the contractor concelled the contract and that nothing can be recovered from the sureties.

John Hill, contract 28, 1882. . . . . $1,505 00

Judgment was recovered in the first instance against Hill and his sureties. On appeal, the judgment against the sureties was reversed and it was declared that they were not liable. The law officers of the Crown were asked to enforce the judgment against Hill, but it is understood that he is insolvent and that it would not be worth the expense of issuing the execution to proceed to levy under the judgment.

Francis Jones & Co., contracts 36, 37 and 38, 1882. . . . . $6,000 00

Proceedings were commenced to recover from Francis Jones & Co., and their sureties, but the agent of the Department of Justice having reported that Francis Jones died insolvent, that Blackburn, one of the sureties, was insolvent, that Conley, the other surety, had no financial credit or responsibility and that nothing could be recovered were a judgment obtained against him, and also as to the merits of the case,

that he (the agent) could not say the Crown, in the end, would be successful, it was decided on the advice of the Minister of Justice, not to press the suit.

E. C. Dawson, contract 59, 1883.. .. .. $5,853 12

Judgment has been recovered against Dawson, but he has no financial credit or responsibility. Steps were taken to proceed against the sureties, but they were discontinued because Mr. Dawson had, by a clerical mistake, been overpaid and it was held that this payment discharged the sureties.

A. J. Tremblay, contract 11, 1892.. .. .. $1,008 00

Tremblay received advances amounting to $1,034.04, including iron posts to the value of $26.04. After executing surveys worth $390.48, he found that he could not proceed with the work at the rates allowed and abandoned his contract. He has been notified that unless he refunded immediately the balance due, $643.56, proceedings would be taken against him and his sureties. The same notice has been sent to the sureties. No answer being received to these communications, the case has been placed in the hands of the Department of Justice for the necessary action. Upon an affidavit of Hon. Senator Landry, endorsed by Sir Adolphe Caron, K.C.M.G., stating that Hon. Mr. Daly, Minister of the Interior, had agreed that no proceedings would be taken in this case, the Deputy Minister of Justice was requested to discontinue proceedings against Mr. Tremblay and his sureties.

J. S. Dennis, irrigation surveys of 1897.. .. .. $473 19

Of this amount $360.49 was refunded in 1900-1901. The balance, $112.70, is for travel expenses of Mr. Dennis' family from Calgary to Ottawa. The item was disallowed. The correspondence cannot be found.

Henry Lawe, re-surveys in Manitoba, 1893.. .. .. $20 00

Mr. Lucien Boudreau was appointed chairman on Mr. Henry Lawe's party. He received an advance of $20 on account of travel expenses from Three Rivers to Winnipeg. He was asked to furnish an account of his expenditure, but he has not done so.

M. McFadden, Swan River survey, 1899.. .. .. $10,334 15

Mr. McFadden was employed by the day, and money was advanced to him for paying the expenses of his party. There was so much difficulty in obtaining from him the returns of his surveys, that the Department of Justice was requested to take proceedings against him for the recovery of the advances. For this purpose all of Mr. McFadden's accounts and vouchers were sent to the Department of Justice. Mr. McFadden's returns of survey were finally obtained, but some of the vouchers appear to have been lost and that has delayed the closing of the account. The account has now been prepared, as well as can be done without the vouchers.

L. P. Gauvreau, contract No. 4 of 1900.. .. .. $1,740 00

In March, 1900, Mr. Gauvreau entered into a contract to subdivide six townships. He received the usual advance of $1,000, together with $740 on a progress account. He surveyed the six townships, but the survey was so bad that it could not be accepted. He was informed that no further advances would be made until the survey was corrected, but no correction was ever made.

Louis Gosselin, contract No. 6 of 1901.. .. .. $18 04

In June, 1901, Gosselin entered into a contract for the subdivision of four townships and a half near Edmonton. Before starting he received the usual advance of $1,000. He returned home without completing the contract, the work done amounting only to $981.96, $18.04 short of the $1,000 advanced. He attributed his failure to desertion of his men. On the 10th May, 1902, he died.

It would appear from Mr. Gosselin's reports that some surveys may have been made by him of which no returns were received, so that he may actually have done work for more than $981.96.

G. P. Roy, contract No. 15, 1902. . . . . $6,878 48

This account was closed long ago, but through the mistake of a clerk, it was not transmitted to the Auditor General.

E. J. Rainboth, contract No. 7 of 1903. . . . . $3,126 90

This account has been kept open because Mr. Rainboth declined to accept the settlement offered by the department. It has now been closed.

J. E. Mailhiot, contract No. 42 of 1903. . . . . $1,129 91

We have no account open with this surveyor. A cheque for $1,160 was issued in his favour. He died shortly afterwards without endorsing it. His widow obtained an advance from the Quebec Bank at Three Rivers of one hundred dollars. The Department of Justice was asked to recover the cheque and stop payment of the same. The papers on file do not show why the cheque has not been recovered. It has not been paid.

Other advances amounting to $659.95 were made, of which $414.29 was recovered by the sale of Mailhiot's outfit. The balance, $245.66, was written off by a parliamentary appropriation.

From our experience, it appears that there is no difficulty in obtaining judgment against defaulting surveyors, but as a rule, they have no financial means and the judgment is useless. Although only the strongest cases against the sureties have been brought before the courts, judgment has been given against the Crown. The sureties against A. McNab and C. H. Davis were not liable because the death of the contractors cancelled the contracts. In John Hill's and L. J. E. Garon's cases, the courts held that the terms of the contract had not been adhered to because advances had been made to the contractors. The wording of the bonds was amended to meet the difficulty, but when the case of Francis Jones & Co., came before the courts, the defendants pleaded, notwithstanding the amendment, that advances had been made without their knowledge and consent, that they were unauthorized and unwarranted and should not have been made at that stage of the work without the consent of the sureties. There were other pleas, which I cannot give, as I have not the papers. The sureties of E. C. Dawson are not liable because, owing to a clerical mistake in this office, he was overpaid. We have further been advised that any departure from the terms of the contract, such as giving an extension of time to the contractor for completing his work, also the want of a notification to the sureties that the contractor had failed to carry out any of the

terms of his contract, might undoubtedly in many cases involve a discharge of the sureties. From the foregoing explanations, it is evident that the sureties can always find some incident connected with the contract which relieves them from their responsibility, so that the guarantee of the bond is illusory. This was found to be the case on contracts for public works and an order in council was passed years ago providing that the security for all such contracts should be a cash deposit with the government. This regulation is unfortunately not applicable to survey contracts; surveyors are not only unable to make a cash deposit, but they could not proceed with the work without receiving from the government a sufficient sum in advance for the purchase of their horses, outfit, supplies, &c.

Even assuming that none of the accounts in default can be recovered, it will be seen that the total loss will not exceed $18,320.52. Considering that the total outlay on surveys has been over five millions of dollars and that the money was expended under unfavourable conditions, was paid in advance and practically without security, the loss is certainly not large.

Re Edmonton Agency—Crown Timber.

AUDIT OFFICE, OTTAWA, December 24, 1908.

SIR,—The Crown Timber Agent at Edmonton issued the following permits on payment of 25 cents each:—

No. 113551—Champlain School District, 20,000 ft. B.M.
No. 113564—Ross Creek R. C. Church, 60,000 ft. B.M.
No. 113591—Rena Clarmont, Priest, R. C. Church at Brosseau, 50,000 B.M.
No. 113592—Julien Beauregard, 272 ft. piling, 3,712 ft. B.M. bridge timber.
No. 113626—Brosseau School House, 12,000 ft. B.M.
No. 113654—Hairy Hill School District No. 1509, 4,759 ft. B. M.

Please let me know if the above lumber is subject to dues.

In addition to the above, a large number of permits were granted to cut ties for the Grand Trunk Pacific Railway on payment of 25 cents each.

I wrote you on the 18th instant *re* permit granted to Hislop & McPhee to cut ties for the same railway. No doubt these permits were granted on the same conditions.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. FRASER, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, January 18, 1909.

SIR,—I am directed to acknowledge the receipt of your letter of the 24th ultimo, in which you call attention to six timber permits issued by the Crown Timber Agent at Edmonton in connection with which a payment of 25 cents each was made, and inquire if the timber covered by these permits is subject to dues. I may say, in reply, that the timber covered by permits 113551, 113564, 113591, 113626 and 113654 is not

subject to dues as the agent was authorized to issue free permits under clause (*d*) of section 49 of the Timber Regulations.

It is assumed that permit No. 113592 covers timber required by the Local Improvement District. If this assumption is correct, the agent had authority to issue a free permit. The department, however, is in communication with the agent in this regard and as soon as a reply is received you will be advised.

The free permits granted to the Grand Trunk Pacific Railway Company to cut ties were issued on the same conditions as the one obtained by Messrs. Hislop and McPhee, in connection with which you will be advised under separate cover.

I am, sir, your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

DEPT. OF THE INTERIOR, OTTAWA, February 27, 1909.

SIR,—Referring again to your letter of December 24, last, in which you refer to permit No. 113592 which was issued to Mr. Julian Beauregard to cut 272 feet of piling and 3,712 feet B.M. of bridge timber, I am directed to say that this timber was required by the local government for road improvements and this department has authority, under the regulations, to issue free permits for that purpose.

I am, sir, your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

AUDIT OFFICE, OTTAWA, March 27, 1909.

Re **Dominion Lands and other Revenues paid at Head Office.**

SIR,—A large proportion of the receipts for Dominion lands and other revenues, is paid in to the department.

The return for December shows the receipts at head office amounted to $425,616.34.

I have to inquire as to the procedure and regulations in connection with the handling of these funds, from the time they are received till they are deposited; including remittance by mail and amounts paid in person.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. FRASER, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, March 30, 1909.

SIR,—I beg to acknowledge the receipt of your letter of the 27th ult., in which you inquire as to the procedure and regulations in connection with the handling of the receipts for Dominion lands and other revenues paid into this department. The following is the method of handling the funds from the time they are received until they are deposited:—

(1) All mail matter is delivered to Mr. Ellis, the mail clerk of the department in the Langevin Block; the registered mail is received and signed for by him at the post office and it is re-entered in the departmental registration book and delivered to and receipted for by either Mr. Roberts, registrar of the department or by one of his assistants. All official correspondence is also sent to Mr. Roberts, opened in his office and distributed.

(2) The remittance in cash, drafts, cheques, &c., including scrip are entered in detail in the cash blotter and each item is given a number. When the entries are completed the receipts and book are placed in a despatch bag and locked. It is then handed to the messenger of the Accounts Branch who sees that it is duly locked before it is taken over by him.

(3) The despatch bag is handed by the messenger to the cashier in the Accounts Branch, who has a duplicate key. The money is checked by the cashier and his assistant and each item initialed for.

(4) The receipts are detached from the letters and a note is placed on each giving the date, cash number, amount and nature of remittance and signed for by the cashier.

(5) The covering letters are then handed to the cashier's assistant who enters the remittances in the cash book.

(6) The moneys received are prepared for deposit in the bank and the bank deposit slip, in duplicate, is checked with the cash book and signed by the cashier.

(7) The bank receipts are checked by the accountant each day, who also sees that the duplicate deposit slip is initialed by the teller of the bank.

(8) The bank receipts are delivered to Mr. Pope, chief clerk of revenue, who initials the stub of the bank deposit slip and checks the cash book to see that the items agree with those entered in Mr. Roberts' cash blotter.

(9) The cash each day is received in the accounts branch after bank hours and is locked up in the vault and deposited early next morning.

(10) All officials who are handling the cash including mail clerk and messenger are bonded for $5,000 each.

In regard to amounts paid in person, I may say that I have given instructions to the heads of branches who occasionally receive small sums for maps, &c., to send all sums direct to Mr. Roberts, who initials for them, and in this way the receipts go to the accounts branch through one source.

I am, sir, your obedient servant,

The Auditor General. W. W. CORY, *D.M.*

Re **Homestead Entry—Edmonton.**

AUDIT OFFICE, OTTAWA, June 2, 1909.

SIR,—Homestead receipt No. 263954 was issued by the Edmonton agent to F. Briere, without fee in September last.

Please let me know why the usual fee of $10 was not collected.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. FRASER, *A.G.*

Re **Homestead Entry—Yorkton.**

AUDIT OFFICE, OTTAWA, June 2, 1909.

SIR,—Homestead receopt No. 9605 was issued to Joseph N. Tomlinson, by the Yorkton agent on December 31, last, without fee.

A memo on the counterfoil reads; 'fee in Forestry Branch, G.H.D.G. 1501597.'

Please let me know why the fee has not been credited to Dominion Lands Revenue.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. FRASER, *A.G.*

Re **Homestead Entries.**

AUDIT OFFICE, OTTAWA, February 5, 1909.

SIR,—It is observed that some of your agents are issuing homestead entries for fractional and half-quarter sections and collecting only $5 thereon, since September 1, last.

Previous to September 1, 1908, there was authority for a $5 fee in cases where the area entered for did not exceed 80 acres,—Vide Vict. 61, Cap. 31, Sec. 10.

Last session 'An Act to consolidate and amend the Acts respecting the Public Lands of the Dominion' was passed, and 7-8 Edward VII, Cap. 20, Sec. 11, Sub-sec. 1,

provides only for a fee of $10 either for a homestead, purchased homestead or pre-emption.

I should be glad to know if any steps have been taken to collect the balance of $5 due on each of the entries so granted since September 1.

I beg to suggest that instructions be sent to all agents, calling special attention to this important change in reference to homesteading.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. FRASER, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, February 11, 1909.

DEAR SIR,—I am in receipt of your letter of the 5th instant, in which you state that you have observed some of the agents of Dominion Lands have been issuing homestead entries since September 1, last, for fractional or half-quarter sections and collecting only $5 thereon in lieu of $10 which is the correct fee. In reply I beg to say that in each case where a $5 has been charged instead of $10, the agent had been notified to collect the balance of $5, and I notice from the record here that the agents are promptly taking the proper steps to collect this amount. A circular letter which will cover this matter is already in the course of preparation.

I am, sir, your obedient servant,

The Auditor General. W. W. CORY, *D.M.*

AUDIT OFFICE, OTTAWA, February 20, 1909.

SIR,—I beg to acknowledge the receipt of your letter of the 11th instant, in reply to mine of the 5th instant, with reference to short collections on homestead entry fees.

In this connction I beg to submit a list of the short collections for the months of September and October last.

I have to ask you to furnish me with a statement when these balances are collected, showing the months in which they came to account.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. FRASER, *A.G.*

DEPARTMENT OF THE INTERIOR,
OTTAWA, February 27, 1909.

SIR,—I have the honour to acknowledge receipt of your letter of the 20th instant, enclosing a list of short collections on homestead entry fees for the months of September and October, 1908. In going over the list it is noticed that a number of the $5 were reported by the Dominion lands agent at Kamloops, B.C., and in this connection I inclose herein, for your information, a copy of an order in council passed on the 13th July, 1904, authorizing the acceptance of $5 in connection with 80-acre entries. I also inclose a statement prepared in the Patent Branch giving information with reference to a number of other cases. The remaining items are receiving attention, and so soon as the necessary information has been procured you will be advised.

I am, sir, your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

AUDIT OFFICE, OTTAWA, March 2, 1909.

SIR,—I have received your letter of the 27th ultimo inclosing a copy of an order in council, dated July 13, 1904, which provides that the fee for homestead entry in the railway belt for 80 acres or less should be $5 to have uniformity with the fees of other Dominion lands.

The reduced fee of $5 has been abolished by the Act of last session; the order in council should lapse also. Hence, a fee of $10 should be collected on all homestead entries in the railway belt, as well as Dominion lands generally, granted since September 1, 1908.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. FRASER, *A.G.*

AUDIT OFFICE, OTTAWA, May 31, 1909.

SIR,—I wrote you February 5th last calling attention to the Act Edward VII., chapter 20, section 11, which provides that a fee of $10 be paid for all homestead entries. This Act came into force September 1 last.

Previous to that Act being passed a fee of $5 only was charged where the area did not exceed 80 acres.

I pointed out in my letter that your agents were still issuing homestead entries for a fee of $5.

In your reply of February 11 you stated that the agents had been notified to collect the balance of $5.

I observe in the returns for February that the agents at Kamloops and New Westminster have issued one entry each for $5, and in the return for March that the agent at Kamloops has issued two entries for $5.

The agent at Kamloops has not collected any of the balances due on the entries issued since September.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. FRASER, *A.G.*

DEPARTMENT OF THE INTERIOR,
OTTAWA, June 1, 1909.

DEAR SIR,—I am in receipt of your letter of the 31st ultimo with regard to the entry fee of $5, which is being charged by the agents of Dominion lands at Kamloops and New Westminster, covering entries made for homesteads of 80 acres or less. In reply I would explain that the administration of lands within the railway belt is not governed by the Domion Lands Act, but by a series of orders in council. Under order in council of the 13th of July, 1904, the entry fee should be $5 if land entered for is 80 acres or less.

At the present time the matter of making the entry fee in these cases correspond with the entry fee which is charged in the territory administered by the Dominion Lands Act is engaging the attention of the department. In the meantime I suppose that the agents of Dominion lands at Kamloops and New Westminster must be guided by the order in council.

I am, sir, your obedient servant,

The Auditor General. W. W. CORY, *D.M.*

Re South African Volunteer Bounty Warrants.

DEPARTMENT OF THE INTERIOR,
OTTAWA, April 30, 1909.

DEAR MR. FRASER,—I am in receipt of your letter of the 23rd instant with further reference to your desire to be furnished with a statement respecting the issue of South African Volunteer Bounty Warrants. In reply I beg to inclose herewith a copy of a memorandum on this subject which has been prepared by the officer in charge of the Patents Branch, which contains the information which you require in this case.

I am, sir, your obedient servant,

The Auditor General. J. A. COTE, *Asst. D.M.*

DEPARTMENT OF THE INTERIOR, LAND PATENTS BRANCH,
OTTAWA, April 29, 1909.

Memorandum.

I beg to return the Auditor General's letter of the 23rd instant stating that 'All that is required is a statement showing the number of warrants issued for 320 acres each and the total acreage; the same for those redeemed. This information is furnished in the case of the Northwest Half-breed scrip, and I think you will find that but little work will be involved in the preparation of it.

'I find that I have been furnished with a statement for November last of two scrip notes of $160 each issued to D.H. Doust and J. B. DeWolf, respectively, and none since.'

and to say that a statement such as now asked for can be easily furnished to the Auditor General.

The following is a statement up to the 31st ultimo.

Statement showing South African bounty land certificates of 320 acres each issued and delivered by the Department of the Interior up to and including March 31, 1909:—

	No.	Acres.
Certificates issued and delivered..	5,279	1,689,280
Certificates located..	345	110,400

South African bounty scrip note No. 0001 for $160.00, issued in favour of D. H. Doust, was returned to the department and cancelled, and a land certificate, calling for 320 acres, was issued in his favour in lieu thereof.

South African bounty scrip note No. 0002 for $160.00, issued in favour of John B. DeWolf, was returned to the department and cancelled, and a land certificate for 320 acres was issued in his favour in lieu thereof.

In future, it has been arranged with Mr. Pope, that the monthly statement of scrip will also include the number of bounty land certificates issued during that month, if any, as well as the number redeemed during the same period.

I am, sir, your obedient servant,

The Deputy Minister. N. O. COTE, *Chief Clerk.*

Re **Coal Lands—Royalty.**

AUDIT OFFICE, OTTAWA, February 23, 1909.

SIR,—Referring to your letter of December 8 last, I have now to ask for a list of all persons or companies under obligations to pay royalty on coal mined, stating which are under sale and which under lease; the period covered by the last return from each, and the amount now due by each.

I have also to ask for a list of all persons or companies holding coal mines under lease, with the acreage and terms thereof.

In future I have to ask to be notified of any new leases made.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. FRASER, *A.G.*

DEPARTMENT OF THE INTERIOR,
OTTAWA, March 10, 1909.

DEAR SIR,—Referring to your letter of the 23rd ultimo, in which you ask to be furnished with a list of all persons or companies under obligation to pay royalty on coal mined, stating which are under sale and which under lease, etc., I beg to transmit to you herewith a copy of a memorandum on this subject which has been prepared by the officer in charge of the Mines Branch. As you will observe, the task which

you propose to impose upon us is a very difficult one, but if you are still of the opinion that it is absolutely necessary that the information should be furnished, I will be glad to give the necessary instructions to that effect.

I am, sir, your obedient servant,

The Auditor General. W. W. CORY, *D.M.*

DEPARTMENT OF THE INTERIOR,
OTTAWA, March 3, 1909.

Memorandum.

The Auditor General, in the annexed letter to you, asks for a list of all persons or companies under obligations to pay royalty on coal mined, stating which are under sale and which under lease, the period covered by the last return from each, and the amount now due by each; also for a list of all persons or companies holding coal mines under lease, with the acreage and terms therms thereof.

He also asks that he be notified of any new leases issued.

The request made by the Auditor General is for a copy of our entire royalty ledgers, comprising some 700 or 800 pages, which would probably involve the work of two clerks for several weeks.

All coal mining lands which have been disposed of by the Crown, with the exception of about 40,000 acres, were sold subject to the payment of royalty. These lands are constantly being assigned, so that the name of the person or company owning the land now would be of little value in the course of a few months. If it is decided to comply with the Auditor General's request, it would be necessary to engage assistance, as the time of all the clerks is now fully occupied.

A separate account is kept here of each parcel of land sold subject to royalty, and if it is the intention to keep these accounts in any other department it would appear to be a duplication of the work.

Respectfully submitted,

The Minister of the Interior.

DEPARTMENT OF THE INTERIOR,
OTTAWA, February 27, 1909.

GENTLEMEN,—I beg to refer you to the departmental letter to you of December 24 last, enclosing a schedule showing the lands acquired by you for coal mining purposes situated in townships 9 and 10, range 17, west of the 4th meridian, which were delinquent in the matter of returns of coal mined, and you were asked to complete this statement under affidavit, showing the quantity of coal mined on the several parcels of land shown in the statement, the quantity sold and the quantity on hand, and then return the schedule to this department. No reply whatever has been received to this communication, and I am now to advise you that it will be necessary for you to give this matter your earliest possible attention.

The regulations under which the coal mining rights in question were purchased provide for the payment of a royalty at the rate of ten cents (10c.) per ton of 2,000 ponds on the output of the mine, and for the furnishing of a sworn statement at such times as the minister may direct accounting for the full quantity of coal mined, and for the payment of the royalty thereon at the above rate. Provision is further made that default in the payment of such royalty, if continued for ten days after a notice has been posted at the mine in respect of which it is demanded, or in the vicinity of such mine, shall be followed by cancellation of the sale. The patent which is issued for coal mining lands makes provision for the furnishing of returns and the payment of royalty, and in default of such returns being furnished, and such royalty being paid, is subject to cancellation.

It will be seen, therefore, that the owners of coal mining rights who fail to make quarterly returns to this department, and who fail to make payment of the royalty due, incur the risk of the cancellation of the sale. It has now been decided to require the purchasers of coal mining lands acquired subject to royalty to furnish the department with returns promptly, showing the gross quantity of coal taken out, and to pay the royalty thereon. These returns should be furnished for the periods ending on March 31, June 30, September 30 and December 31 in each year, and should account for the number of tons taken out during the previous three months, the number of tons sold, the number of tons on hand and the amount of the royalty.

You are now more than a year in arrears for such returns, and it will be necessary for you to furnish the same up to the 31st ultimo, under affidavit, with the least possible delay. If the full returns of operations up to the 31st of last month, duly sworn to, in connection with the lands in question is not received here within twenty days from this date, and if payment on account of arrears of royalty up to the same date is not made within that period, the department will have no other course than to post notice and take the action prescribed by the regulations.

I am to impress upon you the necessity for taking early action in respect of this whole matter.

Your obedient servant,

PERLEY G. KEYES, *Secretary.*

Independent Coal Co., Ltd.,
C/o. A. L. Wood, Esq.,
Secretary-Treasurer,
Taber, Alberta.

Audit Office, Ottawa, March 30, 1909.

Sir,—I have received your letter of March 10 in reply to mine of February 23 *re* coal lands royalty.

You state that a compliance with my request for a list of all persons or companies under obligations to pay royalty on coal mined would impose on your staff the making of a copy of your entire royalty ledgers.

One of my staff has since had an interview with Mr. Rowatt, of your department, and he was informed that a list of the companies, omitting any list of persons, could easily be furnished.

I understand that the bulk of the arrears is due by companies, so I will be satisfied that you should omit *a list of all persons* from my letter of February 23, and furnish a list of the companies.

I understand that arrangements have been made with the companies in arrears as to a liquidation of same, and I would ask to be informed thereof.

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Deputy Minister of the Interior.

Department of the Interior,
Ottawa, June 23, 1909.

Sir,—I beg to refer you to your letter, dated March 30 last, asking to be furnished with a list of the several coal mining companies in the provinces of Alberta and Saskatchewan who are carrying on mining operations on lands acquired from the Crown subject to the payment of royalty on the gross output, the period covered by the last return, and the amount due in each case.

In reply I am to enclose herewith a schedule showing the names of the several companies referred to, the name of the representative of each such company, with his post office address, the date up to which returns showing the quantity of coal mined have been received, and the amount due on account of such royalty.

Under the regulations it is necessary that returns of operations should be furnished quarterly, that is, for the periods ending on March 31, June 30, September 30 and December 31 in each year. It will be noted that in almost every case returns have been received up to the end of the last quarter, namely, March 31 last, but in a few cases mining operations have temporarily ceased.

Only three of the companies mentioned owe any considerable amount on account of royalty, namely, The Canada West Coal Company, The West Canadian Collieries, Limited, and The International Coal and Coke Company. Arrangements have been made with these three companies for the payment of the amount now in arrears in monthly instalments, and the same are being promptly paid. In addition to the monthly instalment each company is required to make prompt payment at the end of each quarter of the royalty due on their current output. By means of these monthly payments, which are being promptly met, the total amount due to the Crown on account of arrears of royalty will, within a reasonably short period, be paid in full.

I am sir, your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

The salary and allowances paid the registrar was $5,500; the revenue, $2,156.65.

The revenue for the four months of this year, to July 31, was $394.98.

Your early attention is requested.

I am sir, your obedient servant,

DEPARTMENT OF THE INTERIOR,
OTTAWA, February 26, 1909.

SIR,—I beg to acknowledge the receipt of your letter of the 13th instant, pointing out that no returns have been received from the registrar at Dawson since the month of July last; that the salary and living allowance paid to the registrar is $5,500 per annum, and the revenue is $2,156.65; and that the revenue for the four months of this year up to the end of July last was $394.98.

In reply I am to point out that Mr. Laliberte, in addition to performing the duties of registrar for the land registration district, is also librarian for the Dawson court house; that for his duties as librarian he formerly received a salary of $2,700 per annum; and that his salary and living allowance combined was increased to $5,000 when he undertook the dual offices of librarian and registrar.

I am also to inform you that returns have now been received from the registrar for the balance of the year 1908, and the fees collected by him during that six months have been deposited to the credit of the Receiver General.

I am sir, your obedient servant,

The Auditor General. P. G. KEYES, *Secretary*.

In the meantime I send you herewith the departmental copies of the missing statements, and am to ask you to return the same as soon as they have been examined by your officers.

Re Senate Indemnity.

AUDIT OFFICE, OTTAWA, January 30, 1909.

SIR,—Referring to my letter of September 22, 1908, and your reply of October 1, relative to certain overpayments in the indemnity accounts of the session of 1907-8, please let me know if the necessary refunds have been made.

I am, sir, your obedient servant,

The Clerk of the Senate. J. FRASER, *A.G.*

AUDIT OFFICE, OTTAWA, April 16, 1909.

SIR,—I have to call your attention to my letter of September 22, 1908, your reply of October 1, and my further letter of January 30, 1909, relative to certain overpayments in the indemnity accounts of the session of 1907-8, and to again ask you if the necessary refunds have been made, and if not, what steps have been taken to recover the amounts of the overpayments referred to.

I am, sir, your obedient servant,

The Clerk of the Senate. J. FRASER, *A.G.*

THE SENATE, OTTAWA, April 24, 1909.

SIR,—*Re* indemnity, session 1907-8. I am in receipt of your letter of the 16th instant and referring to previous correspondence on the above subject.

The Honourable Mr. Comeau, one of those referred to in the last paragraph of my letter of October 1 last, will refund $15 for one day's non-attendance beyond the fifteen days allowed. The other declarations stand correct.

I am, sir, your obedient servant,

SAM'L E. ST. O. CHAPLEAU,

The Auditor General. *Clerk of the Senate.*

AUDIT OFFICE, OTTAWA, September 9, 1909.

SIR,—Referring to your expenditure on account of 'indemnity and travelling allowances,' Senate, session of 1909, I have to call your attention to the following:—

As determined by the record of the Votes and Proceedings, Senators Frost and Mitchell were each absent six days, and Senator McMullen two days over the fifteen not subject to deduction of pay. A deduction of five days instead of six was made in the two former accounts, and no deduction was made in Senator McMullen's account, resulting in overpayments of $15, $15 and $30, respectively.

Senators Carling, W. J. Macdonald and Sullivan were each paid his sessional indemnity in full (Senators Macdonald and Sullivan were absent the whole session and Senator Carling in attendance nine days only). These payments were, presumably, made under the special vote of the late session, providing for making good the full sessional indemnity of Senators for days lost through absence caused by illness or public business. The payments should be vouched for by a statement or declaration that the absences were due to one of these causes.

Senators . . . . . and . . . . . were each paid his sessional indemnity of $2,500 less a deduction of $15 per day for each sitting day over the fifteen allowed, although the former was only two days in attendance, January 20 and 21, and the latter only one day in attendance, January 21. It would appear that you have paid these Senators under subsection 2 of section 35 of the Act, rather than under section

33 of the Act, which states that a 'member shall not be entitled to the said sessional allowance for less than thirty-one days' attendance, but his allowance for any less number of days shall be twenty dollars for each day's attendance.'

The absurdity of following the doubtful construction of subsection 2 of section 35, rather than section 33, is clear in the case of these two senators, one receiving $2,020 for two days' attendance and the other receiving $2,005 for one day's attendance, in each case the opening days of the session. I am of the opinion that under the Act Senator . . . . . should have been paid $40 only, and Senator . . . . . $20, and not the amounts you allowed them. If the method you followed in the case of these two accounts is legal, could you pay a senator who did not attend the session at all $1,990 (the full sessional allowance of $2,500, less 34 sitting days at $15 per day)? There were 49 sitting days in the session and 15 are allowed before a deduction is made.

I am, sir, your obedient servant,

The Clerk of the Senate. J. FRASER, *A.G.*

THE SENATE, OTTAWA, September 11, 1909.

SIR,—I have the honour to acknowledge the receipt of your communication of the 9th instant on the above subject, and in reply, would state with reference to Senators Frost and Mitchell that their absence over the fifteen days of grace allowed by law were five, and not six days, as mentioned by you. I have already had occasion to inform you that the list of 'members present,' as published in the Minutes of Proceedings of the Senate cannot be looked upon as perfectly correct, because errors sometimes occur in omission, in copying, or at the Printing Bureau, which are generally corrected the next day. Again, the officer making that list has declined to swear that said list was correct, when confronted by a senator claiming to have been present on certain days although his name did not appear on the Minutes. Under such circumstances I am compelled to accept the declaration made by senators. Senator Frost was present on March 16, and the correction was made accordingly. Senator Mitchell's declaration shows that he was absent but five days over the fifteen days' grace above referred to. In the case of Senator McMullen, the two days of absence over the fifteen days grace for which no deduction was made was due to illness, allowance for same coming under the special Vote of Parliament to which you refer in connection with the cases of Senators Macdonald, of British Columbia, and Carling and Sullivan, of Ontario.

As regards Senators . . . . . and . . . . ., the payment of their sessional allowance was made strictly in accordance with the law relative thereto; the interpretation of the latter by such a legal light as the late Senator Sir Alexander Campbell, was so thoroughly thrashed out some years ago as to leave it threadbare and not worth taking up again, more particularly after the amendments which have been made to it since then. If you consider that the law is faulty, the government is the proper authority to whom you should address yourself to have it amended, as any further controversy between us on the subject will not result, I fear, in the settlement of the question as you view it.

I am, sir, your obedient servant,

SAM'L E. ST. O. CHAPLEAU,

The Auditor General. *Clerk of the Senate.*

P.S.—I shall try and obtain a statement from Senators Macdonald, Carling and Sullivan as to the cause of their absence during the last session of parliament.

AUDIT OFFICE, OTTAWA, September 14, 1909.

SIR,—Let me acknowledge the receipt of your letter of the 11th instant, *re* payment of sessional allowance to senators. Referring in particular to your statement that you would try and obtain a statement from Senators Macdonald, Carling and Sullivan, as to the cause of their absence during the last session of parliament, should not this statement have been obtained before payment was made?

The payment of the allowance was contingent on one or other of the causes mentioned, and evidence of this should have been furnished before payment was made.

I am, sir, your obedient servant,

The Clerk of the Senate J. FRASER, *A.G.*

THE SENATE, OTTAWA, September 18, 1909.

SIR,—Adverting to your letter of the 14th instant, with reference to the payment under a special vote of parliament of the full amount of the sessional allowance to those senators who were prevented by illness from attending the last session of parliament. I fully agree with you that a proper voucher should have been exacted from each one of those senators, showing that they were entitled to the said sessional allowance before payment of it was made to them, and I was surprised to learn that no such voucher had been obtained.

As I informed you a few days ago, I have since taken the necessary steps to obtain such a voucher from them.

I am, sir, your obedient servant,

SAM'L E. ST. O. CHAPLEAU,

The Auditor General. *Clerk of the Senate.*

Senate Contingencies: Restaurant Expenses.

AUDIT OFFICE, OTTAWA, January 30, 1909.

SIR,—Please let me have an answer to my letter of October 12, in reference to certain payments for the senate restaurant being made a charge on the public funds.

I am, sir, your obedient servant,

The Clerk of the Senate. J. FRASER, *A.G.*

NOTE.—The letter of Oct. 12, referred to was published in A. G.'s Report for 1907-8, page N-32.

THE SENATE, OTTAWA, February 2, 1909.

SIR,—I have the honour to acknowledge the receipt of your communication of the 30th ultimo., on the above subject. I was not aware that you had already addressed a letter to this office in connection with that matter, which I now find was received during my absence from the city and filed away, I presume, through misapprehension, for which oversight please accept my apology.

Now with reference to the payments in question, I take for granted that the Senate have the right to dispose of the funds voted for their contingencies as they judge proper; the disbursement to which you take exception was made on the recommendation of the Committee on Internal Economy, which you will find at page 1168 of the Minutes and Proceedings of the Senate, and approved of by a vote of the Senate, which you will also find at page 1183 of said Minutes, &c. As to the propriety

of the expenditure, that is a matter which rests entirely with the Senate, and which they alone can explain.

I am, sir, your obedient servant,

SAM'L E. ST. O. CHAPLEAU,
Clerk of the Senate.

The Auditor General.

AUDIT OFFICE, OTTAWA, February 8, 1909.

SIR,—I am in receipt of your letter of the 2nd instant, in reply to mine of the 30th ult., and October 12, 1908, relative to certain payments for wages of head cook, second cook, waiters, waitresses and kitchen help for the restaurant, and note your statement that the payment was made on the order of the Senate, and that they have the right to dispose of the funds voted for their contingencies as they judge proper.

The Senate control the expenditure of the contingencies, subject, however, to the general purposes for which the money was voted, and its use for the object referred to is, in my opinion, the application of money to pay claims of a private nature for which the senators themselves are personally liable and to which they are not entitled either by statute or custom.

The restaurant was run, as I understand, as a private club or private business by a number of senators and there is no more authority or reason for paying this account than there would be for paying the accounts for the food supplies for the restaurant, or in fact, for paying the living expenses of any of the senators outside of the restaurant altogether. It is clearly a personal liability to be met by those for whom the restaurant is maintained, and should not be made a charge on the public funds.

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Clerk of the Senate.

THE SENATE, OTTAWA, February 11, 1909.

SIR,—I have the honour to acknowledge the receipt of your letter of the 8th instant, relative to certain expenditure by the Senate on contingent accounts and to state that I will place the same before the House when it reassembles.

I am, sir, your obedient servant,

SAM'L E. ST. O. CHAPLEAU,
Clerk of the Senate.

The Auditor General.

THE SENATE, OTTAWA, May 28, 1909.

SIR,—Adverting to my letter of February 11 last, with reference to certain expenditure by the Senate on contingent account, I would state that I placed the correspondence I had with you on the subject before the Committee on the Restaurant, of whose report thereon, I now have the honour of inclosing you a copy for your information.

I am, sir, your obedient servant,

SAM'L E. ST. O. CHAPLEAU,
Clerk of the Senate.

The Auditor General.

THE SENATE, THE SPEAKER'S CHAMBER, OTTAWA, May 18, 1909.

The Senate Restaurant Committee, to whom was referred the correspondence between the Auditor General and the Clerk of the Senate, concerning the wages paid to certain employees of the Senate, beg to report as follows:—

The expenditure referred to in the correspondence was a liability of the Senate for wages paid to employees of the Senate, and was not the liability of Senators personally.

The Senate can increase the number of its supernumerary or other employees and pay the same to the full extent of its contingent fund, at its discretion.

The Senate, in 1907, determined to discontinue the system which had previously been followed with reference to the Senate Restaurant and to engage a full staff of employees for the management of the restaurant under control of its committee for the session 1907-8, and the following report was adopted by the Senate on April 24, 1907:—

'The Standing Committee on the Restaurant, beg leave to report as follows:—

'Considering that the farming out of the restaurant to a private individual has proved unsatisfactory;

'And considering that the bar-room should be abolished;

'Your committee recommend that it be empowered to engage for the coming session a superintendent who will manage the restaurant for the exclusive advantage of the senators and their guests under such conditions and regulations to be made by your Restaurant Committee, as will improve the whole situation, while maintaining as much as possible an equilibrium between receipts and expenses.'

The adoption of this report, as appears from the terms thereof, implied the possibility of a deficit in the running of the restaurant.

Before the close of the session 1907-8 it was determined by the two Houses of Parliament that a joint restaurant should be established for the then following session (see Journals of the Senate, page 501), and that the affairs of the Senate Restaurant should be wound up, and on July 16, 1908, it was reported by the Committee on Internal Economy and Contingent Accounts as follows:—

'The Committee on Internal Economy and Contingent Accounts beg leave to make their fifth report as follows:—

'Your committee recommend:

'1. That the Clerk of the Senate be instructed to pay the salaries of the employees of the restaurant during the present session, the total amount not to exceed the sum of $1,500, &c., &c.'

which report was adopted by the Senate on July 18, 1908, and the payments remarked upon by the Auditor General were for salaries referred to in the above report, and were paid out of the contingent fund at the disposal of the Senate.

Since the moneys above mentioned were paid, the winding up of the affairs of the restaurant have been completed and the collections received have been paid over to the clerk, and no payment for the Senate Restaurant remains in any way a charge upon the public funds.

All which is respectfully submitted.

(Signed) J. K. KERR,
Chairman.

Certified true copy.

SAM'L E. ST. O. CHAPLEAU,
Clerk of the Senate.

NOTE by Auditor General.—An amount of $1,475.77 was refunded on this account to the credit of the Receiver General, June 2, 1909.

I am, sir, your obedient servant,

The Clerk of the Senate. J. FRASER, *A.G.*

THE SENATE, OTTAWA, February 4, 1909.

SIR,—Adverting to your letter of the 2nd instant, calling for further information relative to certain articles purchased for the Senate last year: to wit, one neurotone, one large and two small vibrators, I would state that those articles are therapeutic appliances used in connection with the bath rooms, and recognized by the medical faculty as conducive of most healthful results, particularly in the case of those who are no longer young, and confined indoor by the nature of their duties.

I am, sir, your obedient servant,

SAM'L E. ST. O. CHAPLEAU,

The Auditor General. *Clerk of the Senate.*

Organization and Classification of Senate Staff under Civil Service Amendment Act of 1908.

THE SENATE, OTTAWA, May 28, 1909.

SIR,—In order to avoid any future controversy which might possibly arise out of the proposed payment of the increases of salary to the members of the staff of the Senate, such as provided for by section 37 of chapter 15 of the statutes of 1908, and also by the Act intituled 'An Act to authorize certain increases of salary to members of the civil service, inside service,' and as recommended by the Senate for the guidance of the clerk, I would submit for your perusal and such observations as you may deem proper to make thereon, the accompanying exhibits marked 'A' and 'B,' which show respectively:

'A.' The classification of the members of the staff of the Senate under sections 5 and 6 of the above referred chapter 15 of 1908, and adopted by the Senate.

'B.' A recommendation by the Speaker on the increases of salary to be paid to members of the staff of the Senate under the above mentioned Acts and adopted by the Senate.

My object in submitting these exhibits to you is to ascertain whether any objection to the payment of some of these increases of salary is likely to be taken by your

office, in which event I would request that you refer the matter to the Treasury Board, where an appeal from your decision would eventually lie, so that a final settlement of the question may be had once and for good.

Another question upon which I would ask your opinion is whether a bonus may be granted to an employee of the Senate, notwithstanding anything in section 38 of said chapter 15 of the statutes of 1908 (see exhibit 'C').

I am, sir, your obedient servant,

SAM'L E. ST. O. CHAPLEAU,
Clerk of the Senate.

The Auditor General.

AUDIT OFFICE, OTTAWA, May 31, 1909.

SIR,—I have to acknowledge receipt of your letter of 28th instant, in reference to the classification and increases of salary of the staff of the Senate.

In reply I beg to say, in the first place, with reference to the classification under the Civil Service Amendment Act, 1908:—

This Act came into force on September 1, 1908. Sections 7 and 8 provide for the classification of persons then employed in the inside service, according to the salaries which they were then receiving.

Section 7 defines the persons who were in the inside division, viz.: those defined by paragraph (*a*) of section 4 of the Civil Service Act, including temporary clerks paid out of civil government contingencies. They are as follows:—

Schedule A.

(*a*) Deputy heads.
(*b*) Technical officers.
(*c*) Chief clerks.
(*d*) First class clerks.
(*e*) Second class clerks.
(*f*) Junior second class clerks.
(*g*) Third class clerks.

Section 5 excludes messengers, porters, sorters and packers and such other appointments and employments in the lower grades as are determined by the Governor in Council.

This confines the classification to those who were on the clerical staff on September 1, 1908, and sections 5, 6, 28, 29, 30 and 36 determine the class and salary on classification.

Employees other than Clerks.

John Carleton, housekeeper, $1,300; A. R. F. Ralph, $900, reading-room curator; J. Larose, $950, doorkeeper; Edward Ashe, $900, steward; N. L. Wood, $900, messenger; J. H. Pelletier, $800, wardrobe-keeper; I. Berubé, $800, messenger; J. C. Carleton, $800, messenger; C. H. Larose, $800, messenger; Thos. B. Weston, $800, asst. postmaster and messenger, and A. Delaire, messenger.

Those are classified according to their salaries in the second and third divisions.

In my opinion they cannot be so classified, neither can they receive any increase of salary with the exception of C. H. Larose and Thos. B. Weston, who were receiving $700 each. The rest are at or above the maximum of their class.

With reference to the last paragraph of your letter, viz.: bonuses voted by the Senate, I beg to say that they cannot be paid unless the items are included in the Supply Bill in accordance with section 38 of the Civil Service Amendment Act.

I have to request that you will refrain from using your letter of credit for making any payments in the cases referred to in excess of the salaries they were receiving on September 1, 1908, as I shall have to refuse to pass them on the ground that there is no parliamentary authority for the payments.

I am, sir, your obedient servant,

The Clerk of the Senate. J. FRASER, *A.G.*

THE SENATE, OTTAWA, June 3, 1909.

SIR,—I have the honour to acknowledge the receipt of your letter of May 31, in answer to mine of the 28th, on the subject of increases of salary to be paid to the members of the staff of the Senate.

While I agree with you that Schedule 'A' of the Civil Service Act defines those persons who are to be classified under section 5 of the Civil Service Amendment Act, 1908, you should not lose sight of the fact that that schedule when prepared was to apply to departmental officers only. In bringing the staffs of the two Houses of Parliament under its provisions no amendment to that schedule appears to have been thought necessary to include some officers of those Houses, who, strictly speaking, are not clerks, as for instance, the Gentleman Usher of the Black Rod, and the Sergeant-at-Arms of the Senate, as well as similar officers of the Commons; and yet, those officers have been allowed to be classified together with the clerks. I think the same rule should apply to the house-keeper and supt. of messengers of the Senate, who is an employee with considerable responsibility resting upon him.

I would ask that you take the above observations under consideration, and if you agree with my views in so far as the case of the house-keeper is concerned, that you recall your request not to pay him the increase of salary provided by chapter 7 of the statutes of 1909, out of the letters of credit issued to me.

I am, sir, your obedient servant,

SAM'L E. ST. O. CHAPLEAU,

The Auditor General. *Clerk of the Senate.*

AUDIT OFFICE, OTTAWA, June 4, 1909.

SIR,—I have to acknowledge the receipt of your letter of 3rd instant, with reference to the classification of the staff of the Senate, and particularly to the case of the house-keeper.

In reply I beg to say that it is altogether one of interpretation of an Act of Parliament, and would suggest, for the purpose of avoiding any trouble for the future that you should submit my contention, as well as your own to the Department of Justice for an opinion.

Until such an opinion or a ruling of the Treasury Board is obtained, I cannot see my way clear to adopt any other view than the one I have taken.

I am, sir, your obedient servant,

The Clerk of the Senate. J. FRASER, *A.G.*

AUDIT OFFICE, OTTAWA, May 31, 1909.

SIR,—In the organization and classification of the staff of the Senate there appears the name of Byron Nicholson in the first division, subdivision B, at $2,100. On referring to the Minutes of Proceedings, I find that Mr. Nicholson was appointed under section 21 of the Civil Service Amendment Act, 1908.

For an appointment under this section the first action required is that the deputy head (the Clerk of the Senate) should report that the knowledge and ability requisite for the position are wholly or in part professional, technical or otherwise peculiar.

In the Minutes of Proceedings, page 254, March 19, 1909, I find that you have only recommended 'that the services of a competent English clerk be secured, and by preference one who understands the French language.' Under these circumstances the appointment could only be made under section 13 by competitive examination. On page 324, March 26, 1909, I find that His Honour the Speaker is quoted as having reported, 'that, based on the report in writing of the Clerk of the Senate that the services of an efficient clerk, acquainted with the French language are required for the staff of the Senate to act as Clerk of Committees and to provide, in case of future emergency, the services of an employee properly trained to the peculiar work required; and inasmuch as the knowledge and ability requisite for such position are technical and peculiar and His Honour the Speaker has recommended the appointment of Mr. Byron Nicholson, of the city of Quebec, to such position as possessing such knowledge and ability.'

'That Mr. Byron Nicholson, of the city of Quebec, provided he obtains from the Civil Service Commission the certificate required by section 21 of the Civil Service Amendment Act, 1908, be appointed to the said position and be graded in subdivision 'A' of the second division at the salary of $2,100.'

In the Minutes of Proceedings, page 634, May 11, 1908, I find that the Civil Service Commission have given a certificate 'that Mr. Nicholson possesses the requisite knowledge and ability except as to his knowledge of the French language.'

In my opinion the appointment of Mr. Nicholson is illegal because:—

1st. The Clerk of the Senate has not reported that the knowledge and ability requisite are technical or otherwise peculiar;

2nd. That His Honour the Speaker has no authority to report that the knowledge and ability requisite for the position are technical and peculiar without having received such a report from the Clerk of the Senate;

3rd. That the knowledge and ability requisite do not appear to be technical or otherwise peculiar, the Clerk of the Senate having only reported that a competent English clerk be secured and by preference one who understands the French language, and

4th. If a knowledge of the French language could be considered technical or peculiar (which I cannot admit) Mr. Nicholson has failed to qualify according to the certificate of the Civil Service Commissioners.

I have, therefore, to request that you will refrain from making payments to Mr. Nicholson out of your letter of credit.

I am, sir, your obedient servant,

The Clerk of the Senate. J. FRASER, *A.G.*

THE SENATE, OTTAWA, June 1, 1909.

SIR,—I have the honour to acknowledge the receipt of your communication of the 31st ulto., relative to the appointment of Mr. Byron Nicholson as a member of the Senate staff, and requesting me to refrain from making payments to him on account of salary out of letters of credit granted me.

In reply I would state that Mr. Nicholson's appointment having been sanctioned by the Senate, conditionally upon his receiving the required certificate of qualification from the Civil Service Commission under the Civil Service Amendment Act, 1908, and the latter having granted him the same, I cannot see my way clear to refusing to pay Mr. Nicholson's salary, and as a matter of fact, I have already paid him for his services from the date of his appointment. I would remark that while my report

does not state that a specially qualified person was required to perform the services to be assigned to Mr. Nicholson, His Honour the Speaker may have thought differently, and so recommended him, and the Civil Service Commission having acquiesced in said recommendation and given him a certificate accordingly, I fail to see how I could view his appointment otherwise than properly made.

I am, sir, your obedient servant,

SAM'L E. ST. O. CHAPLEAU,

The Auditor General. *Clerk of the Senate.*

AUDIT OFFICE, OTTAWA, June 2, 1909.

SIR,—I inclose herewith copies of correspondence with the Clerk of the Senate in reference to the appointment of Mr. Byron Nicholson, under section 21 of the Civil Service Amendment Act, 1908.

My contention is that Mr. Nicholson has not been legally appointed and, therefore, I cannot consent to the payment of his salary until the matter in dispute is determined by the Treasury Board.

My objection is based on the following grounds:—

1. That the Clerk of the Senate has not made the report required by section 21 of the Civil Service Amendment Act, viz.: that the knowledge and ability requisite for the position are wholly or in part professional, technical or otherwise peculiar.

2. That it has not been shown that the work to be performed is either professional, technical or otherwise peculiar.

3. That the certificate of the Civil Service Commissioners is a qualified one, viz.: that Mr. Nicholson is competent except as to his knowledge of the French language.

This objection is taken under sections 41 and 60 of the Consolidated Revenue and Audit Act.

I am, sir, your obedient servant,

The Secretary of the Treasury Board, Ottawa. J. FRASER, *A.G.*

AUDIT OFFICE, OTTAWA, July 6, 1909.

SIR,—Referring to your expenditure in May, 1909, fiscal year 1909-10, I notice that you have paid A. Hinds his salary to end of May (cheque No. 623). The authority appointing Mr. Hinds as sessional clerk would cover the period to May 20 only, the close of the session. I can find no authority for his service beyond that date.

I am, sir, your obedient servant,

The Clerk of the Senate. (Sgd.) FREDERICK HAYTER, *for A.G.*

THE SENATE, OTTAWA, July 9, 1909.

Re *Arthur Hinds.*

SIR,—I beg to state, in reply to your letter of the 6th instant, that Mr. Hinds was, on March 26 last, appointed a permanent clerk, subject to his passing an examination by the commission.

Pending the result of the said examination, his services are retained by the same authority as in the case of Mr. Dalaire.

I am, sir, your obedient servant,

R. W. STEPHEN,

The Auditor General. *Deputy Clerk of the Senate.*

AUDIT OFFICE, OTTAWA, September 15, 1909.

SIR,—I am in receipt of the vouchers against your August expenditure and notice that you have placed Mr. A. Hinds on your pay-list of permanent officers, and are paying him at the rate of $1,000 per annum.

I am also in receipt of a certificate of the Civil Service Commission qualifying Mr. Hinds for a position in subdivision A of the third division on the staff of the Senate. Under this certificate Mr. Hinds is not qualified for any position higher than the third division, nor can he be paid more than the minimum salary of his class, that is $900.

Under these circumstances please obtain a refund from Mr. Hinds of the overpayment of salary so made, and I would also point out that your letter of credit is not applicable for any payment on this account to Mr. Hinds, other than the salary of his class, $900.

I am, sir, your obedient servant,

The Clerk of the Senate. J. FRASER, *A.G.*

THE SENATE, OTTAWA, September 17, 1909.

SIR,—In answer to your letter of the 15th instant, received this day, relative to the salary paid to Mr. A. Hinds, a permanent clerk of the Senate; I would state that owing to special qualifications, Mr. Hinds was appointed under sections 21 and 33 of chapter 15 of the statutes, 1908, at a salary of a $1,000, per annum. See Minutes of Proceedings of the Senate, pages 255 and 324.

I am, sir, your obedient servant,

SAM'L E. ST. O. CHAPLEAU,

The Auditor General. *Clerk of the Senate.*

AUDIT OFFICE, OTTAWA, September 20, 1909.

SIR,—Let me acknowledge the receipt of your letter of the 17th instant, in answer to mine of the 15th, relative to the appointment of Mr. A. Hinds at a salary higher than the minimum. In reply, I have to say that section 33, referred to in your letter, provides for a salary higher than the minimum when the qualifications required for the performance of the duties are of an exceptional character, and there is a report in writing of the deputy head, accompanied by the certificate of the commission, that the person proposed to be appointed possesses these exceptional qualifications.

Have these reports been made and the certificate of the commission that Mr. Hinds possesses these exceptional qualifications been furnished?

I am, sir, your obedient servant,

The Clerk of the Senate. J. FRASER, *A.G.*

THE SENATE, OTTAWA, September 22, 1909.

SIR,—In reply to your letter of the 20th instant, relative to the appointment of Mr. A. Hinds, I herein inclose a copy of the certificate of the Civil Service Commission.

I am, sir, your obedient servant,

SAM'L. E. ST. O. CHAPLEAU,

The Auditor General. *Clerk of the Senate.*

CIVIL SERVICE COMMISSION OF CANADA, OTTAWA.

The Civil Service Commission have had under consideration an application from the Clerk of the Senate for the issue of a certificate of qualification, under the provisions of section 21 of the Civil Service Amendment Act, 1908, in favour of Mr. Arthur Hinds, who was appointed by resolution of the Senate, dated March 26, 1908, an officer of the Senate in subdivision 'A' of the third division, the duties of the position having been declared by such resolution to be technical and peculiar. In order to determine Mr. Hinds' fitness for such position, the commissioners prescribed an examination in the subjects of writing, spelling, composition, copying manuscripts, arithmetic, typewriting, parliamentary law, and a special paper in parliamentary procedure in so far as it relates to the Senate of Canada, and the results of the examination were such as to satisfy the commissioners that Mr. Hinds is competent to discharge the duties of the position to which he has been appointed.

Now, therefore, this is to certify, pursuant to the provisions of section 21 of the Civil Service Amendment Act, 1908, that, in their opinion, Mr. Arthur Hinds possesses the requisite knowledge and ability and is duly qualified as to health, character and habits to be an officer in subdivision 'A' of the third division on the staff of the Senate of Canada.

Dated at the office of the Civil Service Commission of Canada, this 13th day of August, 1909.

ADAM SHORTT,
M. G. LAROCHELLE,
Commissioners.

AUDIT OFFICE, OTTAWA, October 8, 1909.

SIR,—I have to acknowledge receipt of your letter of 22nd ultimo, inclosing a copy of a certificate from the Civil Service Commissioners in connection with the appointment of Mr. A. Hinds, under section 21 of the Civil Service Amendment Act, 1908.

This certificate only qualifies Mr. Hinds for the minimum salary of his class, viz.: $900.

In order to appoint him at $1,000 the provisions of section 33 would have to be complied with. In my letter of September 20 I pointed this out, and asked if the reports required to be made by the deputy head had been made by you, but have had no reply to this question.

Let me point out that the report of the Honourable the Speaker of the Senate has no force under the Act unless based on the report of the Clerk of the Senate, and if you have not made this necessary report the additional sum of $100 cannot be legally paid.

On page 255 of the Minutes the Speaker states 'that in view of the varied and peculiar duties to be performed by that clerk, such as shorthand, typewriting, assistance in all kinds of legal work, making reports of committees,' &c., &c., and on page 324 'that the knowledge and ability requisite for the position are technical and peculiar.'

Do you consider that the duties thus enumerated are either technical or peculiar, or are they not the ordinary duties performed by a clerk in the civil service?

On reference to the certificate of the Civil Service Commissioners, you will observe that Mr. Hinds has not been examined in shorthand, or if examined, has not qualified.

Under all the circumstances, I do not think a case has been made out for the appointment under section 21, or the granting of an additional sum under section 33.

I am, sir, your obedient servant,

The Clerk of the Senate. J. FRASER, *A.G.*

THE SENATE, OTTAWA, October 11, 1909.

SIR,—Replying to your letter of the 8th instant, relative to the appointment of Mr. Arthur Hinds, under sections 21 and 33 of the Civil Service Amendment Act, 1908, I would state that my report to the Speaker was for the appointment of an assistant to the law clerk, or in other words, to the legal branch of the staff of the Senate. Mr. Speaker based his recommendation on that report, and the result was that the Senate appointed Mr. Hinds at $1,000 per annum, on condition of his obtaining from the Civil Service Commission a certificate of qualification as to his fitness for the technical and peculiar duties to which he was assigned. In due time a paper was prepared by this office, and one by the Acting Clerk of the Commons, which were transmitted to the commission and on which Mr. Hinds was examined later on and found qualified for the position to which he had been appointed.

I am, sir, your obedient servant,

SAM'L E. ST. O. CHAPLEAU,

The Auditor General. *Clerk of the Senate.*

AUDIT OFFICE, OTTAWA, June 16, 1909.

SIR,—Please let me have your authority for payments by cheques Nos. 540, for $55.42, 562, for $26.93 and 610, for $15.83, to A. Dalaire, purporting to represent increases of salary, and your reasons for treating him as a permanent employee of the Senate.

I am, sir, your obedient servant,

The Clerk of the Senate. J. FRASER, *A.G.*

AUDIT OFFICE, OTTAWA, July 6, 1909.

SIR,—Please let me have an answer to my letter of June 16, 1909, asking for your authority for the payments to A. Delaire, referred to, and your reasons for treating him as a permanent employee of the Senate.

I am, sir, your obedient servant,

The Clerk of the Senate. FREDERICK HAYTER, *for A.G.*

THE SENATE, OTTAWA, July 9, 1909.

SIR,—Your letter of the 6th instant is received.

Mr. Dalaire, sessional messenger, was employed on the authority of the chairman of the Committee on Internal Economy, from the close of the session, July 20, 1908, as an extra messenger, until the opening of the session of 1909, when he resumed his duties as a sessional messenger. On May 19 he was appointed permanent, to date from September 1, 1908.

I may add that the chairman was given such authority by an order passed many years ago, and has exercised it as occasion required.

I am, sir, your obedient servant,

R. W. STEPHEN,

The Auditor General. *Deputy Clerk of the Senate.*

Leather Trunks to others than Senators.

AUDIT OFFICE, OTTAWA, July 7, 1909.

SIR,—Referring to your payments in May, 1909, by cheques Nos. 570 and 619 to S. & H. Borbridge, for trunk for senators, I notice (3rd item, second page of first account, and 3rd item of second account) that trunks were supplied to Messrs. Lemoine and Lelievre. Please let me have your authority for this distribution of trunks.

I am, sir, your obedient servant,

The Clerk of the Senate. J. FRASER, *A.G.*

THE SENATE, OTTAWA, July 9, 1909.

SIR,—In reply to your letter of the 7th instant, I beg to inform you that the custom dates back to the time when trunks were first supplied; at which time, and subsequently, a list was approved by the Committee on Internal Economy.

I am, sir, your obedient servant,

R. W. STEPHEN,

The Auditor General. *Deputy Clerk of the Senate.*

AUDIT OFFICE, OTTAWA, July 15, 1909.

SIR,—Referring to your June, 1909, expenditure, the vouchers for which are to hand, I notice a payment by cheque No. 649 of $30 to the R. J. Devlin Co., for one leather trunk for Major S. O. Chapleau, as stated in the account. Please let me have your authority for this expenditure.

I am, sir, your obedient servant,

The Clerk of the Senate. J. FRASER, *A.G.*

THE SENATE, OTTAWA, July 16, 1909.

SIR,—I have the honour to acknowledge receipt of your letter of the 15th instant.

For reply, please refer to my letter of the 9th instant respecting trunks supplied to Messrs. Lelievre and Lemoine.

I am, sir, your obedient servant,

R. W. STEPHEN,

The Auditor General. *Deputy Clerk of the Senate.*

AUDIT OFFICE, OTTAWA, September 10, 1909.

SIR,—In further reference to my letters of July 7 and 15, and your replies of July 9 and 16, relative to the distribution of leather trunks to other than the senators, I note your statement that you were following a custom that dated back to the time when trunks were first distributed. Do you consider that a sufficient authority for the distribution you have made?

In the case of the distribution of leather trunks to the senators, it was considered necessary to pass a resolution of the Senate authorizing the distribution, and the resolution limits the distribution to the senators.

As the matter stands I am clearly of the opinion that the payment of accounts for leather trunks for these officers is illegal, and as such, I cannot pass the payment as a proper charge on the appropriation. Under the circumstances please obtain a refund of $30 from each of the officers referred to.

I notice in a subsequent account of Borbridges' a charge of $30 for leather trunk for Mr. Young. If this refers to your officer of that name, and not Senator Young, be good enough to obtain a refund of that amount from him as well.

I am, sir, your obedient servant,

The Clerk of the Senate. J. FRASER, *A.G.*

THE SENATE, OTTAWA, September 11, 1909.

SIR,—Adverting to your letter of yesterday, in further reference to previous correspondence had relative to the distribution of leather trunks in the Senate to others than senators, I would state that in parliamentary practice a custom of many years' standing becomes an unwritten law, or a standing order, as the case may be. Besides, a thorough audit of the accounts of the Senate by the Committee on Internal Economy and Contingent Accounts who approve of such a distribution by reporting to the Senate that those accounts are correct, is proof that it is properly made and with the Senate's consent. As to the approval by the Senate of the recommendation made by the Committee on Internal Economy and Contingent Accounts, which reads: 'that the usual leather trunks be provided for senators,' without mentioning others, that is more a matter of form to authorize the clerk to provide for said trunks than meaning anything else. Under those circumstances I cannot comply with your request to ask for a refund of $30 from those parties, other than senators, who have been the recipient of such trunks.

I am, sir, your obedient servant,

SAM'L E. ST. O. CHAPLEAU,

The Auditor General. *Clerk of the Senate.*

Stationery Allowances.

AUDIT OFFICE, OTTAWA, September 10, 1909.

SIR,—In the statement of refunds sent with your August, 1909, vouchers, there are these items:—

Hon. F. P. Thompson..	$22 71
Hon. P. A. Choquette..	11 40

Please let me have the particulars of these refunds.

I am, sir, your obedient servant,

The Clerk of the Senate. J. FRASER, *A.G.*

THE SENATE, OTTAWA, September 13, 1909.

SIR,—In reply to your inquiry of the 10th instant, asking for particulars as to the refund by Senators Thompson and Choquette of $22.71 and $11.40, respectively, I would state that it is for drawing stationery over and above the sum of five dollars, which has been fixed as the limit of extra allowance over the usual distribution which takes place at the commencement of each session of parliament.

I am, sir, your obedient servant,

SAM'L E. ST. O. CHAPLEAU,

The Auditor General. *Clerk of the Senate.*

AUDIT OFFICE, OTTAWA, September 15, 1909.

SIR,—In further reference to the subject of my letter of the 10th instant, and your reply of the 13th, please let me have a statement of amounts due, if any, by senators on the stationery account, that is for stationery over and above the amount fixed as the limit.

I am, sir, your obedient servant,

The Clerk of the Senate. J. FRASER, *A.G.*

THE SENATE, OTTAWA, September 17, 1909.

SIR,—Referring to your letter of the 15th instant, relative to stationery accounts of senators, I am not able to supply you with the information asked for, as the matter of indebtedness has not yet been fully decided upon.

I am, sir, your obedient servant,

SAM'L E. ST. O. CHAPLEAU,

Payment of Gratuity Greater than Amount of Two Months' Salary.

AUDIT OFFICE, OTTAWA, July 7, 1909.

SIR,—I have to call your attention to a payment in your May, 1909, expenditure, fiscal year 1909-10, of $100 (cheque 517) to Delima Paquette, widow of Theodule Paquette, at one time a messenger on the Senate staff. It appears that the payment was made on the authority of an adopted report of the Senate Committee on Internal Economy, &c.

I am clearly of the opinion that items of this nature should be specially provided for in the estimates, and the payment of such out of your regular vote for salaries and contingencies is illegal, although recommended by the Senate.

The claim is a very special one. Theodule Paquette died in October, 1905. His widow was paid the usual two months' gratuity in same year and an additional gratuity of $250 in 1906-7.

I am, sir, your obedient servant,

The Clerk of the Senate. J. FRASER, *A.G.*

THE SENATE, OTTAWA, July 9, 1909.

SIR,—I am in receipt of your letter of the 7th instant on the above subject, in which you express your opinion that the payment of the said gratuity is illegal, not being provided for specially in the estimates. I cannot agree with you, for the reason that a sum is provided in the estimates for 'unforeseen charges,' and the Senate has the legal and constitutional right to dispose of its appropriations as it thinks fit.

I am, sir, your obedient servant,

R. W. STEPHEN,

The Auditor General. *Deputy Clerk of the Senate.*

AUDIT OFFICE, OTTAWA, September 22, 1909.

SIR,—In further reference to my letter of July 7, and your reply of July 9, 1909, relative to the payment of an additional gratuity to the widow of the late Theodule Paquette, at one time a messenger on the Senate staff, I note your statement that this item was provided for under 'unforeseen charges,' and that the Senate has the legal and constitutional right to dispose of its appropriation as it thinks fit.

In reply, it does not appear to me that the heading you refer to in the details of your estimates, would constitute any authority nor provide for the payment referred to, nor am I of the opinion that the Senate has the right to dispose of its appropriation as it thinks fit. The Senate controls its expenditure subject to the general purpose for which it is given an appropriation, and subject to the laws and other regulations governing the expenditure of public money.

A gratuity of two months' salary can be given under conditions—a larger amount requires a special provision in the Supply Act.

I am, sir, your obedient servant,

The Clerk of the Senate. J. FRASER, *A.G.*

THE SENATE, OTTAWA, September 24, 1909.

Re *Payment of Gratuity to Mrs. Théodule Paquet.*

SIR,—In reply to your letter of the 22nd instant on the above subject, I would state that the custom of such a grant to the heirs of a deceased officer or servant of the Senate, who happened to die while in harness after many years of service and therefore not having received any benefit from his contribution to the superannuation fund, was in practice as far back as 1882 and has obtained ever since, in some cases as much as a year's salary being granted. In view of a custom of such long standing to which no objection has ever been raised by your predecessor, and the further fact that a pension is now being paid to the heirs of deceased officers and servants of one of the departments, under an Act of Parliament to be sure, I question very much if there is anything irregular in the practice followed by the Senate.

I am, sir, your obedient servant,

SAM'L E. ST. O. CHAPLEAU,

The Auditor General. *Clerk of the Senate.*

Organization and Classification of House of Commons Staff under Civil Service Amendment Act of 1908.

AUDIT OFFICE, OTTAWA, June 15, 1909.

SIR,—As your accounts for the month of May are now before me for audit, I wish to call your attention to the classification of the staff of the House of Commons and the payments of salary made upon that classification.

The Act to amend the Civil Service Act, section 3, subsection 2, states that 'so much of this Act and of the Civil Service Act as relates to appointment, classification, salaries and promotions shall apply to the permanent officers, clerks and employees of both Houses of Parliament and of the Library of Parliament.'

Section 36 states 'except as herein otherwise provided the salary of any person placed in the inside service by or under this Act or to whom the provisions thereof are made applicable, shall be that which he is then receiving, and the said salary shall determine his classification.'

On referring to the classification as shown on pages 815, 816 and 817, May 10, 1909, of the Votes and Proceedings of the House of Commons, you will observe that certain officials having a salary of $2,500 on September 1, 1908, have been classified as 1st division 'A,' at $2,800 per annum; one having a salary of $1,500, classified 1st division 'B,' at $2,100; and in the Sergeant-at-Arms' Department, the superintendent of messenger service, the assistant superintendent, and the Speaker's steward are classified as 2nd division 'B' and 3rd division 'A.'

Now, while this classification expresses the wish of the House of Commons, it does not follow that a resolution of the House can override an Act of Parliament.

The Civil Service Act provides that clerks having a salary between $2,100 and $2,800 shall be placed in subdivision 'B' of the 1st division; those having a salary between $800 and $1,600 and over $1,200 shall be placed in subdivision 'B' of the 2nd division; and section 5 excludes messengers, porters, sorters and packers and such other appointments and employments in the lower grades as are determined by the Governor in Council from classification in any of the three divisions into which the clerical staff is to be classified.

Section 32 provides that the minimum and maximum salaries of messengers, porters, packers and sorters and such other positions in the lower grades as are determined by the Governor in Council shall be $500 and $800. Therefore, those of this class having a salary of $800 or upwards on September 1 last, were at their maximum and could not receive any further increase, nor could they be classified in any of the three divisions mentioned for the clerical staff.

In view of the sections of the Act above quoted, I am of opinion that you have not received sufficient authority to warrant you in paying the increased salaries which the classification of your staff contemplates, and that it will be necessary for parliament to supplement its resolution regarding classification by voting such sums in the supplementary estimates of next session, giving the names of the clerks, &c., to whom they wish to pay such salaries in excess of those provided for in the Civil Service Amendment Act.

I am, sir, your obedient servant,

The Clerk, House of Commons. J. FRASER, *A.G.*

HOUSE OF COMMONS, OTTAWA, June 17, 1909.

SIR,—I beg to acknowledge the receipt of your favour of the 15th instant, which refers to questions arising in connection with the classification and salaries of certain members of the staff of the House of Commons.

I quite agree with the opinion that a resolution of the House of Commons cannot override an Act of Parliament, and consequently the classification as made must be defended solely on the ground that it complies with the terms of the Act.

As I personally had much to do with preparing and recommending the classification, and did so with a view of conforming strictly to the requirements of the law—an explanation of the points raised in your letter is necessary.

The cases first referred to in your letter are those of the law clerk and assistant law clerk.

Mr. O'Brien, law clerk (1st division 'A' at $2,800) was promoted to that position on August 31, at a salary of $2,800, consequently on September 1, under the Act, pursuant to section 5, subsection 2, he as one of the 'principal technical officers' was eligible to that division and grade.

The head of the department (the Speaker) under section 8, determined that fact, and the House of Commons, which stands for 'Governor in Council' in all matters relating to the House of Commons, confirmed and approved the definition and

You will note the terms of section 36, quoted by you, states that 'except as herein otherwise provided, the salary of any person, &c., shall be that which he is then receiving and the said salary shall determine his classification,' &c. This section does not apply to the case of Mr. O'Brien, because that case is otherwise provided for, viz.: by sections 5 and 8.

The object of section 36 was to exclude from salary considerations those officials who were to be promoted or placed in 1st division 'A' by virtue of section 5. Section 5 has no regard whatever as to salaries, but solely as to the nature of the duties and character of the work to be performed by the official.

Even if Mr. O'Brien's salary were $2,500, as you erroneously assume, on September 1, he could, under the Act be placed in 1st division 'A' and the House having approved and voted the salary of $2,800 the question as to salary is removed from the controversy.

But, as a matter of fact, Mr. O'Brien's salary was $2,800 when the law came into effect on September 1, as I have explained in a letter of yesterday's date.

The same line of argument applies to the classification of Mr. Foran. He was a chief clerk and assistant law clerk on September 1, and was, in the opinion of the head of the department, as assistant law clerk 'a lesser technical officer.' As such he was classed in subdivision 'B.' This classification was subsequently confirmed by the proper authority, viz.: the House of Commons. No matter what his salary may have been the head of the department and the House of Commons had the authority of the Act to place him in subdivision 'B' of the 1st division, as in their opinion 'a lesser technical officer.'

Section 36 states that 'the salary shall determine his classification,' except in cases otherwise provided for. This was otherwise provided for by section 5.

As a matter of fact, Mr. Foran's salary on September 1 was $2,100, not $1,500, but in my view this is immaterial. The salary question was ultimately settled by the vote of the House. At any rate it did not affect the classification.

You will excuse me if I observe that your sentence on page 2: 'The Civil Service Act provides that clerks having a salary between $2,100 and $2,800 shall be placed in subdivision 'B' of the 1st division,' does not precisely state the law.

This is a statement of the law applicable after the classification is made, but not a correct statement of the law by virtue of which the classification is made. The classification is first made under section 5 in order to determine who shall pass into subdivision 'B' of the 1st division, and this determination is settled entirely without reference to the salary. As to those in the 1st division, the salary must be made to conform to the classification, not the classification to the salary.

When you come to the 2nd and 3rd divisions you find the positive statement of the Act in section 6, and this classification is easily made because it is clearly defined. The reason for section 36 is obvious. Some provision had to be made for officials who did not come under section 5, subsection 2 or section 6, that is, officials who were not under any classification at the time of the coming into force of the Act, i.e., as chief clerks or 1st, 2nd or 3rd class clerks, and who were not 'technical, administrative or executive officers.'

These cases were protected by the statement 'except as herein otherwise provided for,' the salary shall determine his classification, &c.

I have already made this letter longer than I originally intended. In another letter I will deal with the cases you mention in the Sergeant-at-Arms' Department. I will have to take time to a study of the situation in regard to these, and will submit my views in a few days.

My opinions are submitted with all deference to the views expressed by you, but it was upon the lines I have indicated that the classification was made.

I am, sir, your obedient servant,

THOS. B. FLINT,
Clerk of the House of Commons.

The Auditor General.

AUDIT OFFICE, OTTAWA, June 19, 1909.

SIR,—I have to acknowledge receipt of your letter of 17th instant, in reply to mine of 15th instant, *re* classification of the staff of the House of Commons.

My letter called attention to the case of those clerks whose former salary was $2,500, with proposed salary of $2,800, viz.: Messrs. Bowles, Chapleau, Hartney,

Frechette and Foley, on page 815, and R. Girard, page 816, $1,500 to $2,100. I did not mention Messrs. O'Brien and Foran, whose former salaries were not given.

I am, sir, your obedient servant,

The Clerk, House of Commons. J. FRASER, *A.G.*

HOUSE OF COMMONS, OTTAWA, June 18, 1909.

SIR,—Since writing you yesterday, I have been looking into the cases of the classification of certain officials of the House of Commons in the Sergeant-at-Arms' Department, referred to in your favour of the 15th instant.

These are: Mr. Dubé, superintendent of the messenger service and house-keeper; Mr. Connolly, assistant superintendent of the messenger service and assistant house-keeper; and Mr. Charles George, steward of joint restaurant and Speaker's steward.

The framers of the Civil Service Amendment Act were probably not aware of the status of these persons, because the Act was mainly concerned in providing for a re-classification of many hundreds of officials in some fifteen departments of the service, and with the exception of these three in the House of Commons, and possibly some in the Senate, there were no other officials in the whole service with corresponding duties or titles.

The officials of the House of Commons were not under the former Civil Service Act, and upon coming into force of the Amending Act, one of the first questions for the head of the House of Commons to consider was that of classifying its officials under the new law.

The new Act recognized, for classification purposes, certain classes under sections 5 and 6. Under section 6 all these officials, except those authoritatively placed in the first division by virtue of section 5, subsection 2, are allocated definitely and precisely without the possibility of error. No difficulty could well arise under section 6, and as far as I am aware, all of these classes were accurately placed in the new organization.

Only one other class of permanent employees of the House of Commons is referred to in terms by the Act, viz.: messengers (there are no porters, sorters or packers in the service of the House). The permanent messengers of the House constitute a well defined body of servants, and I think you will find these are properly classified by virtue of section 32.

In order to meet the cases of Messrs. Dubé, Connolly and George, who were not messengers and never have been so classified or so considered by the House of Commons, we have to resort to section 36, which was evidently intended for just such purposes. It states 'except as herein otherwise provided the salary of any person placed in the inside service by or under this Act, or to whom the provisions thereof are made applicable, shall be that which he is then receiving, and the said salary shall determine his classification.' The salaries were as follows:—

Mr. Dubé, $1,350 and residence; Mr. Connolly, $1,000; Mr. George, $900. These salaries entitled them to go into the following classes: Mr. Dubé, 2nd division 'B;' Mr. Connolly, 3rd division 'A;' Mr. George, 3rd division 'A.'

Your observations appear to imply that these officials are of the grade of messengers, packers and sorters, which, as I have indicated above, is not in my view a tenable position.

The head of the department, by virtue of section 8, having determined the classification under the Act, as above pointed out, and the House of Commons (acting in lieu of the Governor in Council under section 45) having confirmed this classification, it appears to me that the Act has been fully and specifically complied with.

However, if later, it should be decided that my view is incorrect I have no doubt the House will agree to any proper course to make its own action effective.

I am, sir, your obedient servant,

THOS. B. FLINT,

The Auditor General. *Clerk of the House of Commons.*

AUDIT OFFICE, OTTAWA, June 25, 1909.

SIR,—I have to acknowledge receipt of your letter of 16th instant, in reply to mine of 15th instant, and dealing with the cases of Messrs. Dubé, Connolly and George.

I am still of opinion that there is provision for the classification of these men outside of either of the three divisions mentioned in section 5.

You will observe that in both sections 5 and 32 there is mentioned in addition to messengers, porters, sorters and packers 'such other appointments and employments in the lower grades.'

I think this is sufficiently comprehensive to include the employees above mentioned. Section 7 clearly states who are to be classified according to sections 5 and 6, viz.: those defined by paragraph (*a*) of section 4 of the Civil Service Act, including temporary clerks paid out of civil government contingencies.

Section 4 of the Civil Service Act (*a*) states that the inside departmental division shall comprise officers, clerks and employees of those classes mentioned in schedule 'A,' viz.:—

(*a*) Deputy heads of departments.
(*b*) Officers who have special professional or technical qualifications.
(*c*) Chief clerks of both grades.
(*d*) First class clerks.
(*e*) Second class clerks.
(*f*) Junior second class clerks.
(*g*) Third class clerks.

This confines the classification to the special, professional or technical and the clerical staff.

The House of Commons, under section 8 has classified Messrs. Dubé, Connolly and George, stating their offices, positions and duties and the salaries pertaining thereto, but should not have included them in either of the three divisions mentioned in section 5.

In my opinion they belong to 'such other appointments and employments in the lower grades as are determined by the Governor in Council,' and not to any of the divisions mentioned in section 5.

I am, sir, your obedient servant,

The Clerk, House of Commons. J. FRASER, *A.G.*

AUDIT OFFICE, OTTAWA, June 16, 1909.

SIR,—In the April, 1909, pay-list I notice that you have increased the salaries of your staff, paid out of your letter of credit, by an amount of $100 for each official in the first division and an amount of $50 for each official in the lower divisions, excepting those at the maximum of the division. These, I presume, are intended as the annual increases under the Civil Service Act.

In this connection I would point out that such increases cannot be given except by order in council. Please obtain the necessary authority.

I am, sir, your obedient servant,

The Clerk, House of Commons. J. FRASER, *A.G.*

HOUSE OF COMMONS, OTTAWA, June 19, 1909.

SIR,—I have to acknowledge the receipt of your favour of the 16th instant referring to the April pay-list of the staff of the House of Commons, in which the salaries of the officials in the first division are increased by $100 each, and those of the second division by $50 each.

These are, as you observe, intended as the annual increases under the Civil Service Act, by virtue of section 37. Section 37 is one of the sections of the Act referred to in section 45 wherein the 'House of Commons' takes the place of the 'Governor in Council,' and consequently the formal assent of the latter is not necessary as would be the case were it not for section 45.

Incidentally, however, the Governor in Council had passed the items and recommended them to the House of Commons in the form of estimates which were submitted to the House and were approved by the House in due course of passing Supply.

The procedure taken is as follows:—

The proper estimate was made and sent to council by the Speaker and clerk. The council accepted the estimate, obtained His Excellency's approval thereto and submitted it to parliament with the other regular estimates. I am of opinion that this procedure would cover the whole ground contemplated by the law.

I am, sir, your obedient servant,

THOS. B. FLINT,

The Auditor General. *Clerk of the House of Commons.*

AUDIT OFFICE, OTTAWA, June 30, 1909.

SIR,—In further reference to the subject of my letter of the 16th instant, and your reply of the 19th, relative to the authority for the statutory increases paid to the House of Commons staff, I have to point out that while I agree with you that the 'House of Commons' takes the place of the 'Governor in Council,' as provided for in section 45 of the Act, section 37 provides a certain procedure as respects the granting of statutory increases, applicable to the House of Commons equally with the other departments, as follows: (Subsection 4) 'The said increase shall only be authorized by the Governor in Council (that is in your case, when the House is in session, by the House of Commons, section 45) upon the recommendation of the head of the department, based on the report in writing of the deputy head, &c., &c.'

The government passing the estimates in council before their submission to the House and the House passing them in Committee of Supply, while necessary as far as they go, could not, by any means, meet the requirements of section 37, supplemented by section 45, and constitute of themselves a complete authority for the payment of the statutory increases for the House of Commons, any more than they do for the payment of the statutory increases for the other departments of the public service.

I am, sir, your obedient servant,

The Clerk, House of Commons. J. FRASER, *A.G.*

Re **Remuneration in Addition to Regular Salaries.**

AUDIT OFFICE, OTTAWA, March 22, 1909.

SIR,—Referring to your payments to H. R. Holmden and Marc Sauvalle, for services in connection with the Analytical Index of the Hansard, I have to point out that under section 38 of the Civil Service Act of last session, these and similar payments are illegal. As you are aware, Mr. Holmden is a permanent official of the Department of Agriculture, and Mr. Sauvalle of the Department of Mines.

I am, sir, your obedient servant,

The Clerk, House of Commons. J. FRASER, *A.G.*

HOUSE OF COMMONS, OTTAWA, March 22, 1909.

SIR,—I beg to acknowledge receipt of your letter of the 22nd instant, with reference to Messrs. Holmden and Sauvalle being members of the civil service who received additional pay in connection with Analytical Index of the Hansard. I was not aware that these gentlemen were members of the civil service, under the Act, and have written to them calling attention to the matter, and will communicate again with you on the subject after hearing from them. They have been performing this work for several years, and I presume it will be necessary to permit them to finish this session's, as no one else is at present competent to undertake this work, and the work for the session is probably more than half completed.

I am, sir, your obedient servant,

THOS. B. FLINT,
Clerk of the House of Commons.

The Auditor General.

AUDIT OFFICE, OTTAWA, March 24, 1909.

SIR,—Let me acknowledge the receipt of your letter of the 22nd instant, in answer to mine of the same date, relative to certain payments to Messrs. Holmden and Sauvalle. As the provisions of the Act referred to are so clear on the subject, it will be necessary, before any further payment can be made, to obtain the authority of parliament, as required by the Act.

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Clerk, House of Commons.

HOUSE OF COMMONS, OTTAWA, May 15, 1909.

SIR,—I beg to transmit for your consideration certified copies of the official record of the House of Commons (Votes and Proceedings) on the subject of the appointment of Messrs. Holmden and Sauvalle as indexers of the Analytical Index of the Debates of the House of Commons.

These gentlemen have, in good faith, performed the work assigned to them, without being aware of the facts which you called to my attention. At the time, I was not aware that either of them came within the statute and urged them to prosecute the work energetically, and in perfect good faith advanced some money to Mr. Holmden as the work progressed. M. Sauvalle had not drawn anything on account, and he was in great anxiety on the subject.

Now that the matter has been pointedly called to my attention, as well as to the attention of the Debates Committee, the same situation cannot occur again, as they will not be re-appointed and other persons not in the civil service must continue the work.

I would, therefore, urge that under these peculiar circumstances the House may be allowed to close the account, with my assurance that the like circumstance cannot be repeated.

I am, sir, your obedient servant,

THOS. B. FLINT,
Clerk of the House of Commons.

The Auditor General.

I beg to certify that the following are correct copies from the record of Votes and Proceedings of the House of Commons, 1906 and 1908:—

Report of the Debates Committee of the House of Commons, April 25, 1906.

'Your committee recommend that in addition to the regular index of the official report of the Debates of the session of 1905, an analytical index covering the several volumes thereof, as well as those of future sessions, be prepared and issued in a separate volume, and a sufficient number of copies of the said be printed and bound for distribution to those entitled to receive bound copies of the official report of the Debates;

'That Mr. Daniel McGillicuddy be appointed to prepare the index in question to the English revised edition, and Mr. Marc Sauvalle to the French edition, said work to be prepared apart from that of the present staff and that, in the final completion of their work, the foregoing be paid for their services the sum of $750 apiece for the preparation of analytical index to each session's Debates.'

This report concurred in, same date, p. 336 V. & P.

Report of the Debates Committee of the House of Commons, February 6, 1908.
(P. 337 V. & P.)

'Your committee recommend that Mr. H. R. Holmden be appointed to prepare the Analytical Index of the English revised edition of the Debates of this session, vice Mr. D. McGillicuddy, who has discontinued to perform the work connected with the preparation of the said index, and that the former be paid for his services $750, on the completion of the index in question.'

This report concurred in, same date, p. 338 V. & P.

(Sgd.) THOS. B. FLINT,
Clerk of the House of Commons.

AUDIT OFFICE, OTTAWA, May 19, 1909.

SIR,—I have to acknowledge receipt of your letter of 15th instant in reference to Messrs. Holmden and Sauvalle as indexers of the Analytical Index of the Debates, and in reply beg to say that I have some doubts as to the legality of the payments in view of certain sections of the Amended Civil Service Act, but as the work was contracted for in 1906 I suppose it should be paid for.

In view of this Act, I beg to say that for the future, some other arrangement should be made that will be clearly within the terms of the Act.

I am, sir, your obedient servant,

The Clerk, House of Commons. J. FRASER, *A.G.*

AUDIT OFFICE, OTTAWA, February 12, 1909.

SIR,—Referring to your expenditure on account of Debates, fiscal year 1908-9, I have to call your attention to these payments:—

Cheque No. 5817, L. Laframboise..	$17 00
Cheque No. 5818, R. Tremblay..	17 00

The parties to whom these payments were made are permanent officers of the House of Commons, and as such are in receipt of regular salaries. These amounts are additional and are for services for which, I understand, other officials are responsible.

Your attention was called to similar payments by my letter of October 29, 1906, and your reply of November 12, 1906, stated that you agreed with this office as to the undesirability of such payments, and had given positive orders that it should not occur again. Your further letter of March 6, 1908, in answer to mine of January 28, 1908, inquiring whether any refunds had been made, stated that there were extenuating circumstances and that you did not deem the matter of sufficient importance to insist upon a refund, and that such a case could not occur again.

Under these circumstances, please obtain refunds of these payments from the parties responsible for the work.

I am, sir, your obedient servant,

The Clerk, House of Commons. J. FRASER, *A.G.*

HOUSE OF COMMONS, OTTAWA, February 15, 1909.

SIR,—In reply to your favour of February 12, referring to expenditures on account of Debates payments to Mr. L. Laframboise $17 and Mr. R. Tremblay $17, I beg to say that I have called upon the parties concerned to make a full report to me on the subject of these items. In anticipation of their reports and action on my part that may be desirable to follow thereupon, I would ask you to kindly indicate to me the statute or law under which these refunds would be demanded if they are found to be illegal.

I am, sir, your obedient servant,

THOS. B. FLINT,

The Auditor General. *Clerk of the House of Commons.*

AUDIT OFFICE, OTTAWA, February 17, 1909.

SIR,—Replying to your letter of the 15th instant, I would call your attention to section 38 of the Civil Service Act of last session, as follows:—

'No salary or additional remuneration beyond the regular salary of the office he holds shall be payable to any deputy head, officer, clerk, or employee in the civil service, or to any other person permanently employed in the public service, except by a special vote of parliament, in which the name of the person who is to receive the remuneration shall be given.'

I am, sir, your obedient servant,

The Clerk, House of Commons. J. FRASER, *A.G.*

THE HOUSE OF COMMONS, OTTAWA, February 25, 1909.

SIR,—In reply to your favour of the 17th instant, in which you call my attention to section 38 of the Civil Service Act passed last session (quoting the same), I may remark that the transaction referred to in regard to the translators receiving some extra compensation occurred some time in July, which was before the Act referred to came into effect, namely September 1. Perhaps there is some law or statute bearing on a case of this kind which was in effect at the period when these extra payments were taken. I frankly confess that I do not know where such is to be found.

Since writing you I have had communications with the officers referred to and they have explained to me that this work was done at the special request of the Committee on Debates and was not done during any period during which they would be supposed to be working in the discharge of their routine duties.

As to the future, there can be no question, as the Act you quote settles the point quite effectively, and of which I have made all concerned fully aware.

I am, sir, your obedient servant,

THOS. B. FLINT,

The Auditor General. *Clerk of the House of Commons.*
